

The Colorado Senior Resource Guidebook 2010-2011 is here!

The 2010-2011 edition of the Colorado Senior Resource Guidebook is now available. A valuable resource, the Guidebook is a directory for seniors, their families, and aging services specialists for anyone. Features include important facts about Medicare, Medicaid, HMO's and prescription drugs; listings of housing facilities including costs and services; a guide to health insurance; several consumer checklists and advance directives.

Copies of this book can be found at your local library, or for your own copy, seniors and families can pick one up free of charge at our office. For a \$8 shipping fee, we can mail one right to your door! (There is a small charge to agencies and for multiple copies)

Order yours today!
