

ARE YOU AN EFFECTIVE MANDATORY REPORTER?

You Must Report Elder Abuse...It's the law.

For Those New to Reporting or Wanting A Refresher?

On July 1, 2014 Colorado law mandated elder abuse reporting of those 70 and over. On July 1, 2016, Colorado expanded the law to include mandatory reporting of any "at-risk" adult 18 and over and expanded the scope of individuals required to report. ARE YOU A REPORTER? Mandatory reporters include medical professionals, counselors, spiritual leaders, financial organizations, social workers, law enforcement agencies and many more. Learn about the law and how it impacts you and your organization. Get your "Roadmap to Reporting".
