Tips and Techniques for Getting Medicaid Approved

- ◇ Understanding what benefits you are applying for helps to streamline the application
- ◇ Submitting the correct information with the application
- ◇ Collecting “the right documents”
- ◇ Loopholes in the application process
- ◇ Best practices to completing a successful application

DOING IT RIGHT THE FIRST TIME

- The Right Application
- For The Right Reason
- At The Right Time
- To The Right Place
- For The Right Program
- With the Right Documentation

The Trainer

Patricia Cook, RN, BSN, MA, has been working in Community Health for more than 40 years. She has worked at the Colorado Gerontological Society for the past five years where she has been dedicated to learning and executing best practices in public programs such as Medicaid. Helping older adults, families and professionals successfully receive Medicaid and other benefits is a priority.
